PROFESSIONAL EXPERIENCE

Housing Maintenance & Operations Associate

Jan 2026 – Present

Edmonds College — Edmonds, WA

- Conduct routine operational inspections across residential facilities to ensure safety, cleanliness, and code compliance
- Triage resident incident reports and escalate urgent issues, coordinating with housing management and third-party vendors to maintain service continuity
- Perform pre-occupancy readiness checks and maintain operational equipment/inventory, supporting uninterrupted housing operations
- Track and document service requests, contributing to sanitation compliance and reduced facility-related operational risk

International Mentor Program Advisor

May 2025 – Present

Edmonds College — Edmonds, WA · promoted from International Mentor, Nov 2025

- Mentor 30+ international students per quarter, supporting onboarding, campus systems, academic expectations, and cultural adjustment
- Support orientation programs and student engagement initiatives while helping students connect with campus and community resources
- Provide one-on-one guidance and referrals, promoting cross-cultural communication and an inclusive campus community

Guest Service & Operations Supervisor — Izumi Tenku no Yu

Feb 2024 – Oct 2024

Sumitomo Realty & Development Co., Ltd. · Haneda Airport, Tokyo, Japan

- Managed high-volume front desk operations serving approximately 500 guests daily, including multilingual customer service
- Supervised a 15-member team, resolving escalated service issues and coordinating shift scheduling and staff training
- Monitored spa facility systems (water temperature, flow rate, mineral concentration) and led safety patrols to uphold operational standards

Teaching Assistant — AI, Java & Network Systems

Sep 2022 – Sep 2023

Kanto Gakuin University — Yokohama, Japan

- Facilitated labs and one-on-one/group tutoring for Artificial Intelligence, Java Programming, and Network Installation & Configuration courses
- Assisted with instruction, grading, and technical troubleshooting, reinforcing learning outcomes for four courses

TECHNICAL PROJECTS

Japanese Student Association — Official Website

Nov 2025 – Aug 2026

Edmonds College

- Designed and deployed a responsive, multi-page website with a homepage, events page, and member registration system
- Integrated the Google Sheets API for automated, live member-count display; applied Git-based version control for maintainability
- Grew weekly page visits and improved accessibility for incoming international students

Undergraduate Researcher — ML-Based Intrusion Detection Systems

Sep 2022 – Mar 2024

Kanto Gakuin University — Yokohama, Japan

- Led a 1.5-year research project evaluating ML-based intrusion detection using the CICIDS2017 dataset
- Benchmarked Naive Bayes and SVM, and other ML models using Precision, Recall, and F1-score
- Presented findings at the university senior thesis symposium as the laboratory's selected representative and mentored junior members

LEADERSHIP & VOLUNTEER EXPERIENCE

President — Japanese Student Association

Nov 2025 – Aug 2026

Edmonds College

- Lead executive board operations for a campus cultural organization; plan and execute monthly cultural, language-exchange, and community events
- Promote student participation through structured outreach and cross-campus collaboration with domestic and international students

Head of Media & Communications — Housing Ambassadors

Feb 2026 – Present

Edmonds College

- Lead a 3–4-member Media & Communications team within a 20-member student organization
- Develop promotional campaigns and communication workflows; analyze engagement trends to improve student outreach
- Create and maintain digital and print content while documenting events and maintaining organized reporting systems

Programming & Operations Lead — International Coffee House

Jan 2025 – Aug 2026

Edmonds College

- Co-lead weekly intercultural exchange events, managing logistics, scheduling, and volunteer coordination
- Design and facilitate interactive programs including themed discussions, cultural games, and hybrid activities
- Delegate responsibilities and coordinate digital tools to support smooth event delivery and student engagement

International Event Coordination & Bilingual Support Specialist

Arp 2025

Hyogo Business & Cultural Center at Seattle

- Supported international cultural events through event logistics, bilingual English/Japanese assistance, and attendee engagement
- Facilitated communication between international visitors and local participants to promote cross-cultural understanding
